

Constant Temperature Water Tank

Features:

- * Microprocessor control, LED display.
- * Timing function and over-temperature protection.
- * External material: Cold rolled steel with anti bacteria powder coating.
- * Inner material: Stainless steel inner chamber.

Technical Parameters:

Model	COWA13	COWA32
Temp. Range	RT-100°C	
Temp. Fluctuation	≤ ±1°C	
Consumption	800W	1500W
Power Supply	AC110V/220V±10%, 50/60Hz	
Internal Size(L*W*H) mm	420*180*180	600*300*180
External Size(L*W*H) mm	580*300*270	760*410*270
Package Size(L*W*H) mm	630*350*310	820*480*310
Net Weight(kg)	10	15
Gross Weight(kg)	11	17
